*****After exhausting help from other services agencies, apply for help through Barrier Busters Emergency Unmet Needs Fund. (Note: Only Barrier Buster member agencies,, such as PPA, can apply for funds on behalf of clients.) If approved, the funds will go directly to the company that is owed money (such as DTE for utility bills) or if necessary to the nonprofit on behalf of the consumer, but not to the individual directly, so assistance does not undermine eligibility for public benefits.**
