

Caregivers Needed NOW

Partners in Personal Assistance, a non-profit home care agency, is seeking professional caregivers to provide in-home assistance for seniors and adults with disabilities. We call our clients Consumer Partners. Full time and Part time positions available.

Our goal is to build a specialized team of caregivers in order to accept State of Michigan and Washtenaw County CMH case referrals upon request.

Our main service area is Ann Arbor/Ypsilanti/Saline/Dexter, however, we need part-time assistance in Brighton, and a caregiver to provide transportation and possible onsite assistance from Ann Arbor to Manchester MI for horse riding therapy (Sundays only – mileage to/from Consumer Partner's residence to riding therapy will be reimbursed)

Requirements:

- Minimum education GED/high school diploma
- Licensed and insured driver with satisfactory driving record and reliable automobile (no DUIs; 4 points or less on license)
- 1 year experience assisting adults with disabilities such as: neurological disorders, spinal cord injury, mental illness, seizure disorder, traumatic brain injury, paralysis, developmental disabilities, autism spectrum, Alzheimer's/dementia, loss of sight/hearing, nonverbal (sign language a plus)
- Ability to follow directions, excellent attendance, be on time, and demonstrate strong organization skills
- Complete daily timesheets and task/medication logs by hand
- Problem solver, keep calm in emergency situations
- Ability to re-direct/handle emotional or violent outburst
- Ability to assist Consumer Partner with daily goal setting and practice positive social skills, as directed by Plan of Service
- Ability to work in a team setting without creating conflict

Required Training:

- Current CPR and First Aid certification (in person instruction only, online not accepted)
- Negative TB test taken within past 2 yrs
- Current Washtenaw County Medications and Washtenaw County Recipient Rights certification

Tasks you may perform:

- Manually lift and/or transfer a person in and out of bed, wheelchair, or on/off toilet (80-150 lbs)
- Bowel Program/Catheter Care
- Assist with Bathing/Dressing/Grooming
- Light Housekeeping, Laundry, Errands (grocery shopping, transport to and from doctors' appointments / community outings)
- Assist with Eating and Meal Preparation
- Assist with Pet care

We pay \$8.50 for training/orientation, then \$9.40 for 90 days AND 200 hours, then \$10.00 if satisfactory 90 day evaluation AND completion of 200 assignment hours.

All applicants are subject to employment history check, criminal background check, driving background check, recipient rights violation check, and drug screening.
